# OCTOBER PRICE INCREASES.

Dear customer,

Given the current market conditions we know how important it is that you are provided with advanced notice of any significant price changes. We are therefore advising you of some price increases on products that are planned to come into effect on October 1st 2022.

As always, we are working hard behind the scenes with our suppliers to minimise all increases but we wanted to let you know the current projected increases to allow you to plan accordingly.

Product Category	Price Increase
Foil insulation	Up to 7%
Cement	14%
Postfix	10%
Bricks	Up to 20%
Aggregate blocks (not including aerated blocks)	*Varies by branch
Aggregates	*Varies by branch

*\*This increase will vary depending on your location, please speak to your nearest branch for more information.*

*Please note, the above increases do not apply to all products within the categories and only highlight the most relevant price increases.*

## Why we're increasing our prices.

Our suppliers are continuing to experience extreme cost price inflation. As with previous months, the areas of this inflation remain very much unchanged and include, but are not limited to, the increases in cost of; energy (electricity, gas, fuel), packaging, transport and the cost of raw materials.

## Keeping up to date.

To keep up to date with any other price increases and product availability, please visit our dedicated supplier updates page here: [www.jewson.co.uk/supplier-updates](http://www.jewson.co.uk/supplier-updates)

If you'd like to talk to us about anything we've included within this letter, please get in touch with your local branch.

We look forward to continuing to work with you.

Yours Sincerely,
